**RECOMMENDATION LETTER FOR BENEVOLENT INTEGRATED DEVELOPMENT
AND CARE FOUNDATION (BIDCAF) TO APPLY FOR THE USAID RHITES-E GRANT.**

Budaka District is aware that Benevolent Integrated Development and Care Foundation are writing a proposal in response to a Request for Applications by USAID Regional Health Integration to enhance Services in Eastern Uganda, aimed at increasing utilization of health services.

BIDCAF has ever worked in the District under DOVIC funding for a period of 3 years. It successfully assisted in drafting strategic plan for vulnerable children.

Should BIDCAF be awarded a grant for the program, Budaka District is prepared to cooperate with them on this project and among others;

- Monitor and support implementation of the project activities.
- Utilize the District Health and Social Services coordination committees to ensure effective implementation of the project for maximum impact.
- Avail technical staff to cooperate with BIDCAF on any action that can yield better services, community sensitization using improved and integrated models in their programming.

I therefore have no reservations recommending BIDCAF as a credible organization to be considered for grant under this solicitation.
